

NEW DEADLINE - PREPARE YOUR PROPOSAL FOR ICASSP 2023
DEADLINE TO SUBMIT 27 APRIL 2018

IEEE Signal Processing Society is accepting proposals in all [regions](#) for the 2023 IEEE International Conference on Acoustics, Speech and Signal Processing (ICASSP).

ICASSP is the world's largest and most comprehensive technical conference focused on signal processing applications. The series is sponsored by the IEEE Signal Processing Society and has been held annually since 1976. The conference features world-class speakers, tutorials, exhibits, and over 170 lecture and poster sessions. ICASSP is a cooperative effort of the IEEE Signal Processing Technical Committees:

- Audio and Acoustic Signal Processing
- Bio Imaging and Signal Processing
- Design and Implementation of Signal Processing Systems
- Image, Video, and Multidimensional Signal Processing
- Information Forensics and Security
- Machine Learning for Signal Processing
- Multimedia Signal Processing
- Sensor Array and Multichannel
- Signal Processing Education
- Signal Processing for Communications and Networking
- Signal Processing Theory and Methods
- Speech and Language Processing
- Standing Committee on Industry DSP Technology

If you are interested in submitting a proposal, [please review the proposal guidelines](#). The next step is to send a notice of intent, containing the proposed dates and location along with your contact information, to the VP-Conferences and SPS Staff at sps-conf-proposals@ieee.org.

After submitting the notice of intent, you will receive a proposal prescreening form, which must be completed and received by **27 April 2018** to sps-conf-proposals@ieee.org and will be assessed by the Conference Board Executive Subcommittee. Accepted bidding teams [finalists] will be invited to present at the Conference Board meeting held at ICIP 2018, 7-10 October 2018 in Athens, Greece.
