

CALL FOR PROPOSALS ICIP 2022

The IEEE Signal Processing Society (SPS) is accepting proposals from regions: 1-6 (USA), 7 (Canada), 8 (Africa, Europe and Middle East), 9 (Latin America) and 10 (Asia and Pacific) for the 2022 IEEE International Conference on Image Processing (ICIP®). SPS Members are invited to submit a proposal to host ICIP. If you are interested in submitting a proposal please reference our guidelines for preparing and submitting a proposal: http://signalprocessingsociety.org/sites/default/files/uploads/conferences_events/docs/ICIP_Proposal_Guidelines.pdf

ICIP is the premier international forum for the technological advances and research results in the fields of theoretical, experimental, and applied image and video processing. The series is sponsored by the IEEE Signal Processing Society and has been held annually since 1994. Research frontiers in fields ranging from traditional image processing applications to evolving multimedia and video technologies are regularly advanced by results first reported at ICIP technical sessions. Topics included, but are not limited to:

- Image/video coding and transmission
- Image/video processing
- Image formation
- Image scanning, display, and printing
- Image/video storage, retrieval, and authentication
- Applications

To submit a proposal, send a notice of intent to the Vice President – Conferences and Conference Services Staff at sps-conf-proposals@ieee.org. Include in the notice your contact information and the proposed location. Staff will issue the proposal prescreening submission form and guidelines upon receipt of the letter of intent. The form must be completed and submitted to sps-conf-proposals@ieee.org by **3 March 2018**. Proposal Prescreening Forms will be assessed by the Conference Board Executive Subcommittee. Accepted bidding teams [finalists] will be invited to present at the Conference Board meeting held at ICIP 2018, 7-10 October 2018 in Athens, Greece.
